

Below you will find a list of networking opportunities. These are excellent opportunities to expand your business contacts and also opportunities for QLM advertisers to network and expand their business circle. Most of these groups meet monthly on specific days & weeks. Because of a time factor, we will not be able to always update everyone individually as to location etc. Please print your calendar on a monthly basis according to suggested days/weeks below. Some groups have a one or two time visitor rule; others charge a minimal amount per meeting when refreshments/meals are included. **Some are for members & guests only. Some require RSVP.**

We always enjoy hearing from you! Please send us your thoughts and ideas.

If you attend these meetings, your business contacts will grow. “Your purpose in attending is not to see others, but to be seen.” Remember: people buy goods and services from people they know, like, and trust. Therefore, the **primary reason** for attending a networking opportunity is **to be seen and for people to get to know you**...once a positive contact is made...a follow-up meeting can take place. Those people who **attend** a specific meeting on a **REGULAR BASIS** usually generate the most business.

Note: Items for the networking calendar are due by the 20th of each preceding month. * Events submitted must be of a networking non-profit nature, senior expos, or fund raising events for non-profits. For profit events for promoters will not be considered. PACE@sunrisehealth.com
